

RACE - GIPPSLAND

"Raising Aspirations in Careers and Education - Gippsland"

Social Entrepreneurship Session

Designed to explore the world of agriculture, students participating in **RACE Gippsland Social Entrepreneurship Sessions** undertake an ideation process culminating in pitching their ideas for an agricultural social enterprise. This session includes surveys for students and teachers to modify the experience to best suit the class.

What is 'social enterprise'?

Learn about the concept of social enterprise and explore local examples.

Come up with your own idea

Undertake the ideation process culminating in students pitching their idea for a social enterprise to a panel
